TEACHER TRAINING MANUAL – THEME 1

Activity Name: 🎯 “Act & Echo A–Z”

Objective:

Revise all letter sounds quickly

Link each sound to an action for memory

Build energy and focus at the start of class

How to Play

Set Up:

Teacher holds letter flashcards (A–Z) or displays an alphabet chart.

Assign one action per letter sound (e.g., A = pretend to eat an apple, B = bounce like a ball).

Step 1 – Teacher Model:

Show a letter, say the sound (not the letter name) — “/b/” — while doing its action.

Step 2 – Student Echo:

Students copy the action and repeat the sound in a loud, clear voice.

Step 3 – Speed Round:

Go through A–Z slowly once, then faster each round.

Mix the letters in random order for challenge.

Step 4 – Music Boost:

Play an ABC phonics song (YouTube or class recording).

Students sing along, adding the matching actions for each sound.

Wrap-Up (2 min):

Hold up 3–5 random letters.

Ask students to shout the sound and do the matching action together.

Example: Teacher holds “M” → students say “/m/” and rub their belly like eating mango.

How to Use in Class

Hold up each letter flashcard.

Students say the sound (not name) + do the action.

Do slow → medium → fast rounds.

Play an ABC phonics song and match the actions to sounds.

End with a quick “mystery letter” challenge — you do the action, they guess the sound.

If you want, I can make this into a colorful printable chart with pictures so it can go on the classroom wall or be laminated for teachers to hold. That way, it becomes a permanent phonics warm-up tool.

Material:

Here's the complete material pack for the Grade 1 “Sound Warm-Up – Quick A–Z Review with Actions + ABC Phonics Song” so you can run it without extra prep.

📦 Teaching Materials

1. Flashcards Set
2. 6 Letter Flashcards – one uppercase + lowercase per card.

On each card:

Large letter in bold (Aa, Bb, Cc...)

Matching picture (apple, ball, cat...)

Small sound symbol (/a/, /b/, /k/...) for teacher reference.

Printing Tip: Laminate for durability; hole-punch & bind with a ring for easy flipping.

2. Sound–Action Chart (Teacher Copy)

A laminated A–Z sound-action table like the one I made earlier.

For quick action reminders while teaching.

Can be hung in classroom or kept in lesson folder.

3. Student Mini-Booklet

Small A5 booklet with:

One letter per page

Picture for each sound

Space for students to color the picture

Simple practice word (A – apple, B – ball...)

Use for homework review — kids color and trace letters while saying the sound aloud.

4. ABC Phonics Song Sheet

Printed lyric sheet of the chosen ABC phonics song (e.g., “A says /a/ like apple”) with matching picture icons.

Students can follow lyrics + actions during singing.

5. Game Props

Mystery Bag: Small cloth bag with mini toys/objects (apple, ball, toy cat, hat...) for students to pull out, say the sound & action.

Spin-the-Sound Wheel: Cardboard circle with letters A–Z; spin and do the sound + action.

6. Quick Assessment Sheet (End of Week)

Table with all letters A–Z.

Teacher checks if student can:

Recognize the letter

Say the correct sound

Perform the matching action.
